Sir:

PETITION FOR A TWO-MONTH EXTENSION OF TIME

A Final Office Action was issued by the U.S. Patent and Trademark Office on October 2, 2002 in connection with the above-identified application. A response to the October 2, 2002 Final Office Action was originally due January 2, 2003. Applicants hereby request a two-month extension of time for responding. The fee for a two-month extension of time is \$205.00 for a small entity. Applicants have previously established small entity status. A check for TWO HUNDRED AND FIVE DOLLARS (\$205.00) is enclosed herewith. Thus, a response to the October 2, 2002 Final Office Action is now due March 2, 2003. However, March 2, 2003 falls on a Sunday, therefore a response filed on the following Monday, March 3, 2003, is considered timely. Accordingly, this Petition is being timely filed.

Applicants are concurrently filing a Notice of Appeal to the Board of Patent Appeals and Interferences from the decision of the Examiner in connection with the above-identified application.
